

## 3 Fires Campouts – What to Expect:

- Most camps fall, winter, and spring are most often hosted at YMCA camps around different locations in the lower peninsula of Michigan.
- These camps are all cabin camping oriented; They are clean, traditional wood and most often include in cabin bathroom. Some camps have communal style baths / gender. Genders are always separate and individual groups often are together in the same cabin or group of cabins based on the camp and numbers of individuals / cabin; They are most often bunk bed based. Rules for 2021 will reside upon the judgement of the individual groups in policing masks and social distance policies within cabins.
- Meals are planned in conjunction with the YMCA Cook staff, and are served in their eating facilities (camp cafeterias); We do not cook food for our groups; Y Camps are always accommodating to healthy eating and particular food allergies that might exist; We typically host 4 meals (Breakfast, lunch and Dinner on Saturday, and Sunday breakfast);
- Activities are robust and depending on the camp will offer a plethora of options. Some of the options end up being age specific or camp specific. They are all organized and run by the YMCA Camp staff. Some of the camp activities we have come to expect:

### **Age Specific:**

- High ropes
- Giant Swing
- Climbing Wall
- Zipline

### **Camp Specific:**

- Horseback riding (camp specific)
- Arrow tag
- Mountain Biking
- Skiing (winter)
- Sledding (winter)

### **Available at most camps for all:**

- Canoeing
- Fishing
- Arts & crafts
- Wilderness survival
- Field games (soccer, football, basketball)
- Archery
- Rifle target range
- Paintball
- Rockets
